Colleyville Center is an elegant, functional meeting venue centrally located in the heart of the Metroplex. The Center offers a variety of flexible meeting rooms and amenities.

With banquet seating for 360 or theatre seating for 500, the elegant Grand Hall with its soaring ceiling and wall of Palladian windows may be divided to host seminars, corporate retreats, theatre productions and receptions. Smaller spaces are perfect for break-out rooms or board meetings.

The Colleyville Center is equipped with a catering kitchen and performance stage, sound and lighting system, and a full range of AV equipment.

The meeting rooms and formal parlor open onto a spacious Gallery, with cathedral ceiling – the perfect space for your pre-function event.

Nine acres of landscaped grounds surrounding the Colleyville Center include a Garden Plaza “Balustrada” structure of cast stone – perfect for a special ceremony or a break between business sessions. Patios overlook the ponds and fountains, creating a relaxing park-like atmosphere for your event.
