## VENDOR IDENTIFICATION FORM

***\*\*As of December 1, 2003, the City of Colleyville will begin using the Vendor ID Form. All vendors previously listed in the City's vendor file must fill out a Vendor ID Form.\*\****

Complete the information below and check the appropriate commodity for the items, materials, or services your company offers on the following pages. These numbers are listed in the City index of commodities and services. Please fax the form to the number listed above.

Vendors presently doing business with the City should complete a new form if current information changes to assure correct placement in the purchasing system.
