

## HOMETOWN HERO NOMINATION FORM

Thank you for submitting a nomination for Colleyville's Hometown Hero program.

### *Nomination Process*

The nomination must include the designated form and a narrative describing the basis for the nomination. Supporting material substantiating the nomination may also be submitted including official reports, news articles, and testimonials.

If, in the judgment of the Hometown Hero Selection Committee, the nomination is incomplete, not adequately substantiated, or illegible, it will be returned to the nominator for resubmission.

Nominees do not have to currently live in Colleyville but their acts of service must have benefited Colleyville residents.

Nominations for the Hometown Hero Program may be submitted by anyone.

Periodically, the Colleyville Historical Preservation Committee may solicit nominations; however, nominations may be submitted at any time. All nominations will be actively considered for a period of five (5) years. After that time, the nomination must be resubmitted.
