

Notice of Possible Quorum

City of Colleyville

City Council

A quorum of the City of Colleyville City Council may be in attendance at a public meeting to discuss the upcoming rehabilitation of Hunter Lane. The street work will consist of a complete rehabilitation of the pavement using a process called "in-place reclamation." This project does not include any modification to the existing road such as widening, adding curb and gutter, or storm drainage systems. The improvement areas are outlined on the attached map.

The City of Colleyville desires to keep you informed throughout the duration of this project and to help accomplish this, the City will host a public meeting for residents directly affected by the project. **The meeting will be held at 6:00 p.m., on Thursday, November 10, 2016, at the Colleyville Public Library located at 110 Main Street.**

This meeting will include a brief discussion of the project and what can be expected during construction, presentation of the project timing, and an opportunity to meet the project team with a question and answer session.

This is a great opportunity for you to receive valuable information concerning the project, and for concerns to be expressed to the project team before construction begins.

This is not a regularly scheduled meeting of the City Council, but this notice is being posted in compliance with the Texas Open Meetings Act. No action can be taken by the City Council during this public meeting.

Additionally, a quorum of any Colleyville board, commission, or committee may be present at this meeting.

Posted on this the 4th day of November 2016, by 5:00 p.m.

Amy Shelley, TRMC
City Secretary

Hunter Lane Rehabilitation
