Re: Colleyville Notice of the Commencement of Perforation Activities

To Whom It May Concern,

Tarrant County tax records confirm that you are the owner of the property located at the address listed above.

As a property owner within 1,500 feet of a gas well and pursuant to the gas well ordinance of the City of Colleyville Section 3.1-145 (B)(9), you are being notified of the commencement of perforation activities on the TCC Drill Site located at 7504 Pleasant Run Road operated by Atlas Barnet, LLC. Atlas will begin perforation operations the week of January 28th, 2013 and are expected to take approximately a week to complete. Atlas will limit these activities to daylight hours (7:00 a.m.-7:00 p.m.). More information concerning gas well activities in general at the TCC Drill Site can be found at www.colleyville.com/gaswelldrilling.html.

Please contact Atlas at 817-698-8000 if you have any questions.
