

## COURTESY NOTICE

May 23, 2016

**Permit Number:** BLD1605-039  
**Applicant:** Atlas Barnett, LLC.  
**Location:** 7504 and 7404 Pleasant Run Road  
**Present Zoning:** AG – Agricultural District

An active gas well site is located within 1,500 feet of your property. **The gas well site is proposed to be plugged and abandoned, starting on May 30, 2016.** The gas well site is located at 7404 and 7504 Pleasant Run Road, and it is operated by Atlas Barnett, LLC. The plugging and abandonment process is anticipated to last approximately 35 days, weather permitting. Atlas is required to restore the site “to its original condition as nearly as practicable.” Features such as the well equipment, screening wall, and electric gate will be removed. Vehicles, crews, and construction equipment may be seen on-site during this time, performing activities such as moving soil, filling holes and depressions, and removing surface installations.

The City will continue to inspect and monitor the use of the property to ensure that applicable regulations are being followed. More information concerning gas well activities can be found at [www.colleyville.com/gaswelldrillingandproduction.html](http://www.colleyville.com/gaswelldrillingandproduction.html).

Please contact Atlas at (817) 665-8836 or me if you have any questions. I can be reached at (817) 503-1117 or [cfuller@colleyville.com](mailto:cfuller@colleyville.com).

Regards,

Property Location:

Chris Fuller  
Deputy City Manager  
City of Colleyville
