New shops and restaurants open in the Village in time for the holidays

In addition to the now-open Beverly Hills Bridal Emporium, SONSIE HOUSE KITCHEN and Village Lane Apothecary top the list of newest hot spots in the Village at Colleyville.

Sonsie House Kitchen is located at 62 Main Street on the second level. View their menu at sonsiehousekitchen.blogspot.com

With a private dining room, Sonsie House Kitchen would make a great spot for office and family holiday gatherings this winter. They also feature brunch on their menu consisting of contemporary southern comfort food, wine and craft beer.

Village Lane Apothecary is now open every day featuring a wide selection of unique gift items. The pharmacy section is not yet open to the public, but stop by for all your last minute gift-giving needs.
