An update on the SH 26 project

This summer, TxDOT plans to continue the reconstruction of State Highway 26, the city's main commercial corridor, into a six-lane roadway with curbed medians from John McCain Road to Brown Trail. This is the largest construction project in Colleyville's history. Construction on Phase 2 is slated for completion sometime in 2018.

To provide support for citizens, business owners, and property owners throughout the duration of the project, James Hubbard will serve as the SH26 Project Coordinator, for the City of Colleyville. Hubbard has started meeting with businesses and homeowners who will be most affected by the construction. Once construction begins, the City plans to host monthly informational meetings for the business community to provide updates and gather feedback. The City will also utilize electronic message boards and "Business Access" signs along the corridor to help drivers navigate roadway changes.

The most up-to-date information can be found online at SH26Project.com. There is also a link to subscribe to project emails and text alerts about construction developments.

CloseBuy summer discounts

Colleyville CloseBuy is the shop local initiative of the City of Colleyville. It's free for all Colleyville businesses to participate, and discount cards are free for shoppers.

This summer, over 25 local businesses are offering a 10% discount through August 31. A list of all participating businesses can be found at colleyvilleclosebuy.com/10-summer-discounts

To participate, all a business has to do is sign up through the online member portal and educate staff on how to accept customer requests for the CloseBuy discount. All customers have to do is show their CloseBuy discount card or app to receive the posted discount at a participating business.

Additional ongoing discounts can be found at colleyvilleclosebuy.com/additional-discounts

To sign up as a participating business or find out where to get a shopper discount card, visit ColleyvilleCloseBuy.com or email closebuy@colleyville.com.
