Home Security Inspections - Have you ever looked at your home from a burglar's perspective? A home security inspection can be a useful tool to help identify areas in your home which may be vulnerable to criminal activity. The inspection takes approximately 30 minutes and will provide you many useful tips for protecting both your home and family's safety. Some insurance companies also offer a premium discount after the inspection is complete. Call to schedule an appointment.

Child Safety Seats - The Colleyville Police Department is a member of the Inter-Agency Child Safety Seat Task Force and has several officers certified as installation technicians. Officers are available at various times of day for your convenience. Remember, the Texas Transportation Code requires all children under 8 years of age to utilize a proper child safety seat system.

Justice Center Tours - Tours of the Colleyville Justice Center for boy scout/girl scout troops, class trips or other organizations are available. Tours last approximately one hour and are often done in conjunction with a crime prevention or public safety presentation.

Honor Guard - The Colleyville Police Department Honor Guard is available for many types of public events such as presentation of colors for civic or service organizations, school functions or church services.

Citizens Police Academy - Have you ever wanted to know more about how your police department operates? The Colleyville Citizens Police Academy is a 12-week program open to Colleyville residents and business owners designed to acquaint you with the roles and responsibilities of the department and help us learn from you how to better serve the community.

Weekly three hour sessions cover a range of topics including patrol, criminal

investigations, traffic stops, internal affairs, crime scenes, use of force, defensive tactics and community policing. You will learn and experience many exciting things including how to process a crime scene, a ride along with an officer, and how K9 units and bomb squads work. Students can even drive a police car thru a challenging course and fire police weapons at the gun range.

The course concludes with a graduation banquet at Colleyville Center for you and your family. Upon graduation, participants can join the Citizen's Police Academy Alumni Association (CPAA), Volunteers in Police Service (VIPS), and/or Citizens on Patrol (COP).

Applications and Liability Waivers are available on the police section of www.colleyville.com.

Neighborhood Watch - Neighborhood Watch, Block Watch, Crime Watch - whatever the name, it's one of the most effective and least costly ways to prevent crime and reduce fear.

Neighborhood Watch fights the isolation that crime both creates and feeds upon. It forges bonds among area residents, helps reduce property crimes, and improves relations between police and the communities they serve.

WHO CAN BE INVOLVED?

Any community resident can join - young and old, single and married, renter and homeowner. Even the busiest of people can belong to a Neighborhood Watch - they too can keep an eye out for neighbors as they come and go.

Contact your Colleyville Police Department Crime Prevention Officer for additional information on how to start a Neighborhood Watch in your neighborhood.
