

## Comment Form

Cheek-Sparger Road at Jackson Road  
Intersection Study  
September 15<sup>th</sup>, 2011

### 1. Current and Projected Conditions

In addition to the information that has been presented as part of the engineering study, what other information do you believe is important to consider?

### 2. Feasible Options

Would you support the improvement of the intersection to a **signalized intersection with left turn lanes**?

If no, then what changes could be made to allow you to support it? If yes, what enhancements would you recommend?

Would you support the improvement of the intersection to a **single lane roundabout with a northbound right turn lane**?

If no, then what changes could be made to allow you to support it? If yes, what enhancements would you recommend?

*Questions continued on back of this sheet.*

Cheek-Sparger Road at Jackson Road  
Intersection Study  
September 15<sup>th</sup>, 2011

If you could not support either option, what other improvement options (if any) would you like to see the City investigate and/or implement at this intersection.

**3. Additional comments** (*attach additional pages as necessary*)
